From the President:

blue notes

Thanks to all for attending a great night at Chipotle in late February. We packed the house. Special thanks to Julie Tabaj for entertaining us with a south of the border performance on her button box. For those that endured the long lines we doubled what we expected to make... Thanks!!!

Music Booster Summer Scholarship applications are now being distributed. Last year the Boosters provided over $5,000 in summer music activity scholarships. Guidelines for the Scholarship are on the application. The due date for applications is April 15, 2010. We look forward to assisting our talented Lakewood students through additional musical enrichment during the summer break.

QUOTE

" I cannot write in verse, for I am no poet. I cannot arrange the parts of speech with such art as to produce effects of light and shade, for I am no painter. Even by signs and gestures I cannot express my thoughts and feelings, for I am no dancer. But I can do so by means of sound, for I am a musician."

--W.A. Mozart,
November 1777

Please support our annual Music Booster Plant Sale. Both perennials and annuals are available. Contact me at danapaul@att.net for order forms and additional information--or see the Plant Sale box below.

Visit the following web page for online images and planting suggestions, www.fundsonthegrow.com. Please keep us in mind for planting around the office and home.

Fine OMEA Orchestra Performances

director baton

The month of February was a great one for the Lakewood High School Orchestras. The Ohio Music Education Association State Orchestra Adjudicated Contest was hosted by Lakewood, and had dozens of orchestras from Northeast Ohio attending.

Lakewood High School represented its talent with three orchestras on stage. The Lakewood High School Chamber Orchestra, Symphony Orchestra, and Philharmonia Orchestra played and received the highest honor of a superior rating.

Chamber Orchestra and Symphony received straight superior ratings from the three judges and the sight-reading judge. We are very proud of all of the orchestra students for their fine performances and wish them continued success.

--submitted by Beth Hankins

LHS Choirs are "Superior"

(But then you knew that!)

choir

On Friday, March 5, the Symphonic Mixed Choir and the Symphonic Treble Choir, under the direction of Dr. Lisa Hanson, participated in the Ohio Music Educations Association (OMEA) District High School Adjudicated Event.

Both choirs received unanimous "Superior" or "I" ratings from their judges, both in the prepared performance and the sightreading portion. The Symphonic Treble Choir entered in class "C" and the Symphonic Mixed Choir in the highest class, "AA."

Some of the comments from the judges for the Symphonic Treble Choir included, "Excellent job", You sing so expressively!" and, "Keep doing what your director tells you - she knows her stuff!"

Symphonic Mixed Choir received these comments: "Bravo! Congratulations on a beautifully detailed study (of the music)!" and "Excellent choral sound - most impressive. Your hard work is evident." Congratulations to the students in both choirs and their director.

In April, the Symphonic Mixed Choir will travel to Virginia to perform at the Shenandoah Conservatory in Winchester, Virginia and at Bruton Parish in Williamsburg, Virginia, as part of their Candlelight Concert Series. The students are looking forward to their "mini-tour."

Spring Plant Sale!

"The Composer is Dead" Cleveland Orchestra Family Concert

There's dreadful news from Severance Hall--the composer in dead and the perpetrator is lurking within the orchestra! A silly yet informative collaboration by children's author Lemony Snicket & composer Nathaniel Stookey, "The Composer is Dead" is a morbidly funny musical whodunit that "investigates" every section of the orchestra.

April 25 at 2 p.m. at Severance Hall, 11001 Euclid Ave., Cleveland.

For tickets and more information on the Cleveland Orchestra's education & family programs, visit www.clevelandorchestra.com

Merrell Instrument Repair Seeks More Teachers

We are growing fast when it comes to our lesson schedule. In fact I'm looking for more teachers. If you know anyone who teaches violin/viola, drums, or piano pass the word to give us call (216-228-4885) or email a resume to music@merrellinstrumentrepair.net

Thanks!
Sharon Merrell, Store Owner & Lakewood Music Booster

flowers
